

Winter Oil Sessions 2014 - Forsyth County Parks and Rec

with instructor Susan Kennedy

Come paint in oils with artist Susan Kennedy in a new session this winter! Below you can see some of the landscape reference photos from Susan's photography which will be the basis for the 4 landscapes for this Oil Painting session.

Reference photos we're using in this session (you'll work on this scene with Susan in each class):

We will start a new painting in each class, and will also work on finishing the painting from the previous class (if you choose to bring your painting back!) You'll need a new 16 x 20 canvas every session.

(go to <http://www.susankennedy.com/KennedySupplyList.pdf> to get the full supply list; feel free to just bring a canvas to the first class so you can borrow paints and brushes to get an idea of what you want to buy.

You can call (770) 781-2215 to sign up for this session or others.
